## **Make the most of your SEKTION kitchen cabinets**

What does your dream kitchen look like? How much time will you spend in it and what will you do in there? When it comes to kitchens, we're all different. We have different dreams, different needs and different preconditions. So, to meet this diversity, what could be better than a flexible kitchen system with cabinets that can suit everyone, and be planned to fit in almost everywhere? Whatever the size of your home or family, with cabinets in different sizes, drawers with endless possibilities and interior organizers made to match, you can turn the kitchen of your dreams into the kitchen in your home.

## **50 years of kitchen experience**

We've been developing kitchens for half a century. For decades we've been listening to people all over the world in order to design kitchens that will meet your everyday needs for years to come. Our long experience has led to stylish, functional and hard-working kitchens that you'll love spending countless hours in. So, rest assured – we have the experience and knowledge needed to guide you every step of the way to your dream kitchen.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

# SERVICES

**You can do everything by yourself, but you don't have to.** Our service offer gives you the freedom to design your own price tag by choosing not only the products that suit your budget but also by deciding how much you want to do yourself and how much you want us to do for you. On this page you'll find the different services that are available to help and support you. For more details about our services, talk to a co-worker at your local IKEA store or visit us at [IKEA-USA.com/kitchenservices](http://IKEA-USA.com/kitchenservices)

## IKEA MEASUREMENT SERVICE

It's important to have your kitchen accurately measured before planning begins. An experienced IKEA Measurement Technician will come to your home, take all of the essential measurements, and enter the data in the IKEA Home Planner. Your Measurement Service fee is refunded when you have IKEA install your kitchen. Available for customers living within our service area.

## INSTALLATION PRICE QUOTE

Upon completion of your Kitchen Plan on our IKEA Home Planner, we can schedule your Installation Price Quote. An experienced professional from IKEA will contact you and provide an itemized installation price quotation.

### Installation Price Quote

- Confirmation of the scope of kitchen installation.
- Confirmation of the time schedule of kitchen installation.
- Confirmation of the price of kitchen installation.

## DELIVERY

We will arrange for delivery of your purchases to your home or business. Delivery service is provided by an Independent Service Provider.

Services and prices may vary. For more information about our services, visit [IKEA-USA.com/services](http://IKEA-USA.com/services) or your local IKEA store.

## FREE KITCHEN PLANNING SERVICE

We offer two **no cost** options to have your kitchen professionally planned. You will receive a detailed layout of your kitchen including cabinets, appliances, and countertops, and a parts list to make it easy to order.

### Most Convenient & available to everyone in the continental US:

**Planning from Your Home** Make a 90-minute appointment, online or in your local IKEA store. Allow time for you to measure your kitchen and select products before your appointment. A professional IKEA Kitchen Planner will work with you interactively online to plan your dream kitchen. You will be able to discuss every detail and view your plan being created. Your planner will follow-up with a second session to make any changes.

### Visit an IKEA store:

**Planning from the Store** You can make an appointment online or at your local IKEA store for a two-hour in-store appointment with one of our professional IKEA Kitchen Planners. Allow time for measuring your kitchen and selecting products before your planning appointment.

## IKEA KITCHEN INSTALLATION SERVICE

Professional IKEA kitchen installation makes your dream kitchen come true. Check with your local store to see if installation is available in your area. Professional kitchen installers will handle assembling and installing your IKEA cabinets, doors, drawers, interior fittings, handles and knobs. Your kitchen will be installed to the highest industry standards. Kitchen installation includes:

- Assemble cabinets, drawers, doors, and interior fittings
- Install IKEA cabinets, toe-kicks, and side cover panels (excludes 26x36" & 36x96" panels)
- Adjust all IKEA cabinet doors and drawer fronts for appearance
- Clean-up of your kitchen job site, which includes:
  - Daily broom cleaning of job site
  - Vacuum inside of cabinets, floors, and other surfaces upon completion of installation
- Attach IKEA knobs and/or handles to cabinet doors and drawers

## IKEA HOME PLANNER

You can plan your kitchen on your computer with our online 3-D IKEA Home Planner at [IKEA-USA.com/kitchenplanner](http://IKEA-USA.com/kitchenplanner). It's free, it's fun, and it calculates your price as you click along. You can PRINT, SAVE, and CHANGE your kitchen plan as many times as you want. Then come to the store and get advice – you can access the same plan you've been working on – and share it with our IKEA Kitchen Specialists.

## 5-YEAR INSTALLATION WARRANTY

IKEA kitchen installers are professional, licensed, insured and warranty their work for 5 years post completion on IKEA supplied kitchen products.\*  
\*Installation warranty is for the installation of IKEA kitchen products only. In the event of defects in workmanship, the IKEA product or materials will be repaired or replaced; provided, that the defect was not due to a product defect, normal wear and tear, accidents, alteration by the customer, misuse, abuse, or neglect.

# GOOD TO KNOW

**A well organized kitchen is a kitchen you'll love spending time in.** When planning what your kitchen cabinets should include, think of how you want to utilize them in the best possible way based on your personal needs.

1. The kitchen is a place where you normally do a lot of activities, and it can easily become a bit messy. By having your cleaning gadgets close by in a pantry or high cabinet, it'll be easier to keep your kitchen spick-and-span.
2. A deep pantry or high cabinet is ideal for storing everything from dry food, oil and vinegar to bulky kitchen items or small appliances.
3. Gather all the items you use for setting the table in one place to make it smooth and easy. Spacious, fully extendable drawers in the base cabinets are great for cutlery, serving bowls and plates. Use the wall cabinets for lighter things like glasses, mugs and jars. If possible keep this area close to the dishwasher to simplify putting clean dishes back in place.
4. Deep corner cabinets are perfect for storing bulky pots and other large cooking utensils.
5. Add open cabinets to personalize your kitchen and create a nice break in a row of cabinets with doors. Fill it with cookbooks and other often-used items in the kitchen.
6. The sink cabinet is a good place for recycling bins as you do a lot of food preparations in and around the area. If you can, place the sink next to the dishwasher as we have done here (if you can't see the dishwasher, it's because it's built in with the same front as the rest of the kitchen). That way you can rinse dirty dishes before putting them in the dishwasher. With a built-in dishwasher between the sink and the cooktop, you also create a very practical preparation area.
7. Use the top drawer underneath the cooktop for storing knives, whisks and other cooking utensils to have them within easy reach. Tall drawers underneath are ideal for tools and gadgets you normally use when cooking, for example frying pans, pots and strainers.
8. A base cabinet between the cooktop and the built-in oven adds storage for all the extra things that might come in handy when cooking: spices, wraps, foil, oven mitts, trivets and other things you need when using these appliances.
9. By placing the oven in a high cabinet, you get it at a perfect working height. And you get storage space for baking sheets, ovenware, serving bowls and whatever else you might use in the oven.

# GOOD TO KNOW

1. UTRUSTA pull-out rack for cleaning supplies makes it easy for you to see and reach what's inside. The organizer takes care of all of your cleaning supplies, so you can take care of the cleaning.
2. Fully extendable, soft-closing MAXIMERA drawers behind the door enable you to see, reach and access everything. Even the things at the back you thought you didn't have.
3. Customize your storage in the drawers with the help of MAXIMERA adjustable dividers, and add organizers such as flatware trays, plate holders and boxes from the VARIERA series to keep everything in perfect order and easy to find.
4. With an UTRUSTA corner cabinet pull-out fitting it's easy to see and reach even the things furthest away in the deep corner. You can also choose carousels for both wall and base cabinets – just swivel them around to swiftly reach everything inside.
5. Create extra shelves with VARIERA shelf inserts to get more space for glasses, bowls and jars.
6. Make recycling fast and easy with VARIERA/UTRUSTA lids and bins that you can combine in different ways depending on your needs. You can place them at the bottom of cabinets or in a shallow MAXIMERA sink drawer. A tip is to place an inner drawer above the recycling bins for storing extra bags, sponges, etc. Shallow drawers provide function while giving space to the pipes under the sink.
7. VARIERA knife and utensil trays keep everything in place. And pot lid organizers from the same series will keep the lids in place, creating more room for the pots and pans.
8. To utilize the space in the cabinet as much as possible, you can have hidden inner drawers inside larger drawers and behind doors to store all the small things you have in the kitchen. In this example we've put VARIERA inserts for spice jars in the inner drawer to make it easy to season the food while cooking.
9. MAXIMERA add-on sides for medium and high drawers allow you to stack things on top of one another without them falling out the side when you open the drawer.

# HOW TO COMBINE YOUR OWN CABINET SOLUTION

The flexibility of the SEKTION kitchen system allows you to build your very own **personalized kitchen**. When combining it yourself, you can get just the size and functionality that you want. Here are some solutions that you can use as inspiration when creating your own personal combinations. (If you prefer pre-defined kitchen cabinets we can offer you that as well. You'll find some on page 20, and even more in the IKEA Home Planner on [IKEA-USA.com/homeplanner](http://IKEA-USA.com/homeplanner))

## MAXIMERA Drawers

MAXIMERA drawers fully extend, and thanks to a built-in damper they always close softly and quietly. You have complete overview and you can easily reach the smallest of utensils even at the back of the drawer. MAXIMERA drawers are available in different sizes to give you plenty of options depending on your storage needs. You can also add inner drawers to make full use of all the space in the cabinet.
