

## Trip to Victoria

### Best time of year:

Weather: May, June, September, or October. June is same temperature as September but June has less precipitation than September and more shine. July and August too warm. May and October slightly cooler.

Crowds: when children are still in school so not July or August. Best May to mid-June, mid-Sept to late October

### Victoria weather

This chart shows you the types of weather Victoria has throughout the year.

		Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Year
<b>Average daily maximum</b>	°C	7.0	8.6	10.6	13.1	15.9	17.9	19.8	20.1	18.5	13.8	9.4	7.1	13.5
